8 The Comptroller's representation has a good deal of force. The cause of the apprehension vide A in para 2 of P.W.D is this. The final reports on the determination of balances was required to be submitted to Govt by the Mny Commr with the opinion of the Conference by 15.12.25. The Conference met on the 9th idem practically decided how the final work was to be completed and brought up to 30.6.1925. The delay is on the part of Mr. Hariyanja Iyer. The work done by the special staff of the Comptr's office was accepted. As recommended by the Comptr, the bonus earned by the men may be ordered to be paid immediately.

9. As in the case of the staff of the Mny Commrs office, the bonus may be charged to the same head as their pay.

13 As the Salaries drawn by the Mus Cans office accounts are different from those of the Offices of the Comptroller and the period they have been engaged on the special duty is also different; it does not seem possible to make a comparison as the Audr. But the above Statt shows that what is recommended by the Comptroller is slightly more than the Supervision allowances they would have drawn if such allowances had been sanctd. to them. The difference however is small and negligible (about 140 Rs) considering the onerous duties that workers on the Officials concerned which they did out of office hours and may perhaps be sanctd., the charge being met from the same source from which these Salaries are paid.

Mr. Municipal Comm will have to recover from the interest earnings of Gen'l Mun Fd as well as the bonuses to be paid to the Officials of the Comptroller's office. The bonuses of the Mun. Comm'n officials are to be paid from the Mun: Loan Fd to which their salaries are debited. But as the Mun: Loan Fd has not yet been floated, and as it is perhaps advisable that all bonuses for Mun. work should be paid from the same source, it will be appropriate as the Member has observed that the Rs. 1.9 be paid from the Int earnings of the Gen'l Mun Fd

Sir,

I have the honour to invite your kind reference to my l..... No.100/TAD B dated 18th ~~September~~ 1925, in regard the grant of remuneration to the staff of my office detailed for the determination of balances of Muzrai Institutions on 30th June 1920, and to request that early orders of Government may be obtained in the matter.

2. I may state that the work which was entrusted to the Special Duty Officer in July 1921 and transferred to this office in December 1923 was brought to a final shape and a report submitted to Government so far back as January 1925. The report has been referred to the Muzrai Commissioner and it is seen from the resolutions passed at the meeting of officers held on 9th December 1925, in the Muzrai Commissioner's Office, that the further work has been entrusted to Mr. Mrithynjaya Iyer. As matters stand at present, final decision is not likely to be reached in the near future to enable Government to pass orders on the report submitted by this office in January 1925

3. I may further add that the remuneration to be paid to the officials of my office, has no bearing on the completion of the work by Mr. Mrithyunjaya Iyer and they have to be paid for the work already turned out by them. It would be a hardship to put off the grant of remuneration in this case, while the officials of the Muzrai Commissioner's Office have already been paid the full amount and the Special

Order No. 1445-b / Secr 217-25-2 12/5/26

The Comptroller reports that in connection with the verification of the balances of the Local Treasuries, Bangalore, Chamarajanagar and Tumkur as on 30th June 1925, the Special Duty Officers have submitted their report which was submitted to Government on 3rd December 1925 and that the services of the officials of this office had to be utilised to a large extent in connection with the preparation of the statements, in addition to their own work. The question of the grant of special allowances to the officers concerned was under consideration of Government for some time past and in view of the fact that the work was of an exceptional character, Government are pleased to sanction to each of them, a bonus of two months' pay, subject to a maximum of Rs. 700/- in all in the case of officers drawing salaries from the Local Funds.
